a mesmerizing firsthand account of the warping of american reality over the past decade as donald trump has risen to dominance from a participatory witness who got so far inside the distortion field that it swallowed her whole olivia nuzzi spent a third of her life observing those in power she became a reporter in 2014 when the political landscape began to recon figure itself around a singular personality whom she was uniquely primed to understand over the next ten years she used her access and eye for detail to chronicle his campaigns trials and government in blockbuster feature stories that drove the national conversation and propelled her to the heights of her profession then in 2024 her personal life collided with the public interest in a scandal that cost nuzzi her job and reputation amid a full blown tabloid frenzy nuzzi went quiet drove west and spent the next year in self imposed exile at the edge of the country where she wrote this searing and astonishingly clear eyed account of what she and we have experienced over the last decade nuzzi walked through hell and she took notes the result is a brilliant and bracing reckoning with recent history from one of our sharpest political observers beginning in the present in california and then turning her gaze back east and back in time she crafts a dazzling mosaic of the trump era her many behind the scenes encounters with trump himself from their first meeting in trump tower to a wealth of revelatory conversations about his hollywood aspirations his dreams his fears about being assassinated and more the life she led uneasily that skidded to a halt the rise of digital surveillance and the decline of privacy the normalization of political violence and the collision of polarization with the democratization of information to sow doubt about every aspect of our reality american canto is also a powerful personal history nuzzi s account of growing up in working class new

jersey as the child of alcoholics in the shadow of new york city and 9 11 is raw and moving her mother was angry beautiful and unpredictable her father a loving man who supported his family as a sanitation worker removed debris from ground zero they both died young a version of nuzzi did too she approached this kind of death with the critical distance of a reporter when interrogating her own mistakes nuzzi confesses i had trained my whole life in the battlefield of crisis despite her profession olivia nuzzi has never been interested in breaking news american canto is not a memoir nor a tell all nor a book about the president instead it is something more artful and more interesting a character study of a nation undergoing radical transformation in real time it seeks to reframe our understanding of the history we are living through from the perspective of someone who observed it from within the kaleidoscope and now sees it clearly from the other side
